BISTRO BAR

Nestled cozily amidst the lush, green foliage in peaceful Rochester Park, BistroBar is a charming alfresco location that brings your event experience out of the hustle and bustle of the Singapore city scene.

A private level on the second floor makes a conducive space for any kind of business meeting. We are able to configure the seating plans according to your needs, complete with speakers, microphones, projectors and screens.

BistroBar's chef patron, Daniele Sperindio, honed his skills from the best in the business in Europe and has brought to the bistro a fresh new take on the menu. Marrying his training and innovative ideas, Daniele customizes gastronomical offerings from exclusive buffets to intricate canapés.
